

## GENERAL PEST CONTROL TREATMENT PREPARATION

Treatment Date: \_\_\_\_\_

### Pest Control Notice

A professional technician will enter your home to **inspect and treat for pests**. Please follow these instructions to ensure a successful service:

#### Preparation Is Key to Effective Treatment

To get the best results, it's important to follow all instructions carefully.

**The more prepared your home is, the more effective the pest treatment will be.**

---

#### Before the Visit:

- **Move furniture 8–12 inches away from all walls.**
- **You do not need to empty cupboards or cabinets.**
- **Make sure baseboards, windows, and doorways are easy to reach.**

---

#### On the Day of Treatment:

- **All residents and pets must leave the unit for at least 2 hours** if spray treatment is used.
- If you have any special concerns or areas, you want checked, please **contact management or maintenance** before the visit.

Per management, if you are not ready for this treatment you will be charged \$\_\_\_\_\_

Thanks for your cooperation!
